## NOTES

- 1. ALL Cadets will arrive, depart and dismiss from Miramar at the same times,** regardless of whether your Cadet is going to the BP or Blue Angels, **UNLESS YOU LIVE IN THE MURRIETA AREA AND ARE ATTENDING THE BP TRAINING.**

**For those transporting,** first off, thank you for stepping up to get the Cadets to their training. Secondly, transport times are the same for each training location. **PLEASE BRING YOUR CAMERAS FOR PHOTO OPPORTUNITIES.** The only difference is that those transporting to NAF El Centro will be reimbursed for their gas expense, so please keep your receipts.

**Those attending the BP training,** and living near Murrieta, will report to the Murrieta Police Station parking lot at 0830.

**Those attending the BP training,** the bulk of the Cadets coming from Miramar will rendezvous with the Cadets already at Murrieta PD and depart altogether for the Murrieta Border Patrol facility by 0845. This

is being done not only for convenience of location, but to ensure that we all arrive together to the Border Patrol facility.

**Those attending the Blue Angels training** will also muster at MCAS Miramar, departing, arriving back at Miramar, and dismissing at the same times as the Cadets attending the BP training in Murrieta.

**To further clarify, regardless of which training your Cadet is attending, and assuming that you do not live in Murrieta, ALL Cadets will report, depart and dismiss Miramar at the same time, 0715-1630.**

**YOU ARE REQUIRED TO REPORT YOUR ABSENCE TO**
